

**Wednesday Discipleship Group**

**Week of November 20th, 2016**

**Warm Up**

1. What's something in your life you have simplified since we began this sermon series? What other areas still need some attention?

2. Review the order of priorities we have discussed.

God  
Family, Church, Work, Recreation

In your life, which of these can sometimes get out of place more than the others?

3. Have you ever experienced a separation or division among friends or family because of your beliefs in Christ?

**Digging In Deeper: (Luke 10:38-42)**

4. What was the name of the village where Martha lived?

5. Re-read Martha's words to Jesus in Luke 10:40. What was her tone? Why did she think she had a right to tell Jesus what to do?

6. Summarize Jesus' response to her.

7. What is discipleship and how does Philippians 3:12-16 describe this process.

8. List one thing you learn about discipleship from each of these verses. **Mark 8:34-38, John 8:31-32 , John 15:5-8  
John 13:34-35 , Matthew 28:18-20**

9. Read about Jesus' temptation by satan in Luke 4:1-13. Notice the Scriptures Jesus quotes from Deuteronomy 8:3, 6:13 and 6:16. Briefly explain their context in Deuteronomy.

**Application:** Deuteronomy 30:11-20

What will I need to this week in order to choose "that good part" for my life?
